

ILLINOIS REAL ESTATE EDUCATIONAL FOUNDATION

In recognition of more than 28 years of distinguished service to the Illinois REALTORS®, the Real Estate Educational Foundation has established the

The Robert E. Cook Scholarship

Bob Cook, CAE served as the Executive Vice President and Chief Governmental Lobbyist for the Illinois REALTORS® from 1956 to 1984, marking a time of growth and expansion for the Association. Under Mr. Cook's leadership, the Illinois REALTORS® grew from 2,200 members and a \$20,000 annual budget to more than 23,000 members and a \$3 million budget. In addition, Mr. Cook was instrumental in the founding of the REALTORS® Political Action Committee of Illinois and the REALTOR® Institute of Illinois, and was a guiding force in the development of a myriad of other Association services, including professional liability insurance. He was a driving force in the founding of the Office of Real Estate Research at the University of Illinois, and in the formation of the Real Estate Educational Foundation.

The Robert E. Cook Scholarship Fund will be used to award scholarships each year to selected individuals for the continuation and expansion of their knowledge in the field of Association management.

The Cook Scholarship may be awarded to selected individuals wishing to further their education at a junior college, college, or university, with the stipulation that they pursue a course of study which relates to the field of Association management. Scholarship grants may also be awarded for Association management training such as: attendance at the Executive Officer Seminar of the National Association of REALTORS®, the Institute of Organization Management sponsored by the United State Chamber of Commerce, or specialized training programs offered by the American Society of Association Executives. The number of scholarships awarded and the dollar amount (not to exceed \$1500) for each will be determined by the Foundation.

The Foundation
